Discussion board on the Blackboard server

The screenshot displays the Blackboard Discussion Board interface. At the top, there is a navigation bar with 'My Institution', 'Courses', and 'Services' tabs, along with 'Home', 'Help', and 'Logout' links. Below this, the course ID 'HIMA418000112004008' is shown. The main content area is titled 'Discussion Board' and includes an 'Add New Thread' button and a 'VIEW UNREAD MESSAGES' dropdown. A toolbar with icons for 'SELECT ALL', 'UNSELECT', 'INVERT', 'READ', 'UNREAD', 'COLLECT', 'LOCK', 'UNLOCK', and 'REMOVE' is positioned above the thread list. On the left, a sidebar contains various navigation options like 'Announcements', 'Course Information', 'Staff Information', 'Course Documents', 'Assignments', 'Books', 'Communication', 'Groups', 'External Links', 'Student Tools', 'Resources', 'Course Map', and 'Control Panel'. The main area contains a list of threads and replies, with the first thread 'Week 0 -- Have you logged in y...' highlighted in yellow. The threads are organized into a table with columns for thread details, author names, and timestamps.
