

## **In Confidence Index, January 2000 -**

### **Access Control**

Biometric Technology Offers Secure Solutions. Doug Wheeler. MAY, 2002 6.  
Developments in Securing Electronic Healthcare Information. Lee Moser. SEP 2000 5-6.  
Document Management Systems in the Healthcare Environment. Rose Odette. FEB, 2002 6.  
Enterprise Access to Online HIM Information: A Status Report. Donna Bowers. MAY 2000 2-3.  
Guarding the Electronic Gates: A Plan for Access Management. Carole Okamoto, Cynthia Zak, and Jayne Lawson. MAY 2000 4-6.  
Old Computers, Vulnerable Info: Secure Data Erasure. Jim Inkster. MAR, 2001 6-7.  
Security @ the Edge. Marc Boroditsky. NOV, 2000 5-6.  
Putting Your Finger on Biometrics: What Are the Issues? Chris Mills. MAY, 2001 6-7.

### **Access Management**

Making Your Data Warehouse HIPAA Compliant. Brian Reinke. JUL, 2002 3.

*Apple, Gordon*

Staying Alert to Patient Rights Under HIPAA. MAR, 2001 1-5.

*Asmonga, Don*

What the Proposed Privacy Rule Changes Mean to You-An Update from Washington. JUL, 2002 1-2.

### **Audit**

An Internal Audit Model for Information Security. Kevin Mead. JUL 2000 1-3.  
Using ASTM Standards to Assist with Audit and Disclosure Logs. Gretchen Murphy. AUG, 2002 1-2.

### **Authentication**

At Close Range: Protecting Privacy Through Proximity Access Control. George Brostoff. MAY 2000 1, 7.  
Computerizing Trust: The Challenge for E-health. Brendan Seaton. SEP, 2000 1-2.  
Electronic Signature Law May Lead to Changes in HIM. Gwen Hughes. NOV, 2000 1-2, 11.  
Guerrilla HIPAA: Increasing Security, Efficiency, and Convenience with Direct Personal Assurance. Trevor Hight Walker. JUL, 2000 6-7.  
The Information Security Manager: Three Key Responsibilities. David A. Sobel. JAN, 2001 1-2.  
An Internal Audit Model for Information Security. Kevin Mead. JUL 2000 1-3.

*Bakman, Alex*

Securing Your IT Environment from the Inside Out. SEP, 2001 10-12.

*Ballam, Holly*

Managing Patient Control over Healthcare-What You Need to Know. SEP, 2001 1-3.

*Barker, Tim*

Training the Healthcare Work Force about Confidentiality-Planning for Successful Education. JUN, 2002 4-5.

*Barnett, David H.*

E-health and PKI Interoperability, Part I. SEP, 2000 7-8.

E-health and PKI Interoperability, Part II. NOV, 2000 3-4.

The Key to Using Digital Certificates. APR, 2002 3.

The Value of Digital Signatures. MAR, 2002 3.

### **Behavioral Health**

Psychotherapy Notes Under HIPAA. Michelle Dougherty. JUL, 2001 11.

*Bettendorf, Jim*

“SNIP”ping Away at HIPAA. NOV, 2001 6.

### **Biometrics**

Facing Up to Biometrics in the Healthcare Industry. Frances Zelazny. JAN 2000 8-9.

Putting Your Finger on Biometrics: What Are the Issues? Chris Mills. MAY, 2001 6-7.

### **Birth and Death Information**

Adoptee Updates, E-health Backlash. Jane Jeffries. MAR 2000 6.

The Ins and Outs of Adoption Information Provision. Gwen Hughes. JAN 2000 6-7.

Last Rights: ROI and the Deceased. Gwen Hughes. MAR 20007, 11.

*Boroditsky, Marc*

Security @ the Edge. NOV, 2000 5-6.

*Bostic, Kimberley C. and Matthew D. Lang*

Enterprise-wide Scheduling Solutions Step Up Privacy and Security Features. JAN, 2002 3.

*Bowers, Donna*

Enterprise Access to Online HIM Information: A Status Report. MAY 2000 2-3.

*Brandt, Mary D.*

“Need to Know” Access: Meeting HIPAA’s Minimum Necessary Requirements. FEB, 2002 1-2.

*Brostoff, George*

At Close Range: Protecting Privacy Through Proximity Access Control. MAY 2000 1, 7.

*Burrington-Brown, Jill*

Are Cleaning Staff Business Associates? MAY, 2002 7.

Privacy Officers and Disciplinary Actions. SEP, 2002 7.

### **Business Partner Agreements**

Are Cleaning Staff Business Associates? Jill Burrington-Brown. MAY, 2002 7.

Doing Business in the New Healthcare Privacy Era. Rhys W. Jones. JAN, 2001 7-9.

Identifying Your Business Associates Under the HIPAA Privacy Regulations. Michael C. Roach. NOV, 2001 1-2.

Outsourcing and Security-Finding the Right Fit. Mark Hagland. JUL, 2002 4-5.

*Callahan-Dennis, Jill*

Preparing for a Privacy Risk Assessment. AUG, 2002 4-5.

*Candia, Tanya*

Securing Data in Motion-Easy Steps to HIPAA Compliance. SEP, 2002 6.

### **Coding**

Marrying Technology and Policy for Home Coding Security. Beth Friedman. FEB, 2002 3.

*Colgan, Peter*

Implementing a Mobile Coding Solution. JUL, 2001 8-9.

### **Complaint Line**

Delegating Complaint Line Responsibilities. Dan Rode. MAR, 2001 8-9.

### **Compliance**

Preparing for a Privacy Risk Assessment. Jill Callahan-Dennis. AUG, 2002 4-5.

### **Confidentiality**

Answers to Confidentiality Concerns. Gwen Hughes. JUL, 2000 10-11.

Compromising Privacy and Confidentiality. Jane Jeffries. SEP, 2000 910.

### **Data Transfer**

What to Look for in Your Search for Secure Transfer of Healthcare Data. Matt Gray. JAN, 2002 6.

*Deike, Karen*

Smart Cards May Make Security a Non-issue. NOV, 2000 7-8.

*Demster, Barbara*

The Dilemma of Patient Health Record Security. JAN, 2002 1-2.

## **Disclosure**

Controlling PHI Flowdown and Record Copying under HIPAA. Beth Hjort. SEP, 2001 15.

The Rules of Disclosure and Redisclosure. Gwen Hughes. JAN, 2001 10.

Tracking Disclosures Under HIPAA. Michelle Dougherty. MAR, 2002 7.

### *Dougherty, Michelle*

Accounting for Disclosures. APR, 2002 7.

Fund Raising Under HIPAA. APR, 2002 7.

HIPAA and Identifiers and Authorizations for Continued Care. AUG, 2002 7.

The PCASSO Project: Protecting Medical Records on the Internet. JUL 2000 4, 9.

Psychotherapy Notes Under HIPAA. JUL, 2001 11.

Tracking Disclosures Under HIPAA. MAR, 2002 7.

## **E-health**

Adoptee Updates, E-health Backlash. Jane Jeffries. MAR 2000 6.

Computerizing Trust: The Challenge for E-health. Brendan Seaton. SEP, 2000 1-2.

E-health and PKI Interoperability, Part I. Dave Barnett. SEP, 2000 7-8.

E-health and PKI Interoperability, Part II. Dave Barnett. NOV, 2000 3-4.

E-health Is Showing Its Immaturity. Harry Rhodes. MAR 2000 1, 10-11.

Electronic Signatures: The New Frontier for E-business and E-health. Ann Geyer. SEP, 2000 3-4.

Enterprise Access to Online HIM Information: A Status Report. Donna Bowers. MAY 2000 2-3.

E-mail: A Mixed Blessing. Gwen Hughes. MAY 2000 10-11.

The PCASSO Project: Protecting Medical Records on the Internet. Michelle Dougherty. JUL 2000 4, 9.

You've Got Inappropriate Mail. Don Planchon. JUL, 2000 5,12.

## **Electronic Signatures**

Electronic Signature Law May Lead to Changes in HIM. Gwen Hughes. NOV, 2000 1-2, 11.

Electronic Signatures in Healthcare—What's the Status Now? William B. Pankey. MAR, 2002 1-2.

Electronic Signatures: The New Frontier for E-business and E-health. Ann Geyer. SEP, 2000 3-4.

E-signature and Security Updates and Newsbreaks. Jane Jeffries. NOV, 2000 9, 11.

The Value of Digital Signatures. David H. Barnett. MAR, 2002 3.

## **Electronic Transmission**

The Dilemma of Patient Health Record Security. Barbara Demster. JAN, 2002 1-2.

Enterprise-wide Scheduling Solutions Step Up Privacy and Security Features. Kimberley C. Bostic and Matthew D. Lang. JAN, 2002 3.

The Key to Using Digital Certificates. David H. Barnett. APR, 2002 3.

Marrying Technology and Policy for Home Coding Security. FEB, 2002 3.

The Power of PKI. Jan Lovorn. APR, 2002 4-5.

Secure E-mail Communications with Patients Nearing Reality. Harry Rhodes. SEP, 2002 1-2.

Secure Transfer of Sensitive Health Information. Eng-Kiat Koh. JUN, 2002 6.

Securing Data in Motion-Easy Steps to HIPAA Compliance. Tanya Candia. SEP, 2002 6.

Using PDAs Safely: Small Devices Can Cause Big Problems. David Sobel. APR, 2002 6.

What to Look for in Your Search for Secure Transfer of Healthcare Data. Matt Gray. JAN, 2002 6.

You've Got Inappropriate Mail. Don Planchon. JUL, 2000 5,12.

### **Ethics**

AMA Ethical Force Initiative Announced. Aviva M. Halpert. JUL, 2001 4-5.

HIPAA, Ethics, and DNA. Jane Jeffries. MAY 2000 8-9.

### **External Electronic Transmission**

E-health and PKI Interoperability, Part I. Dave Barnett. SEP, 2000 7-8.

E-health and PKI Interoperability, Part II. Dave Barnett. NOV, 2000 3-4.

You've Got Inappropriate Mail. Don Planchon. JUL, 2000 5,12.

### *Fleming, Laurel*

Research: One of HIPAA's Exceptions. JUL, 2001 1-3.

### *Friedman, Beth*

Marrying Technology and Policy for Home Coding Security. FEB, 2002 3.

### *Fujimura, Martin K.*

Lights! Camera! Trauma!-Confidentiality and New Media. MAR 2000 4-5.

### *Gellman, Robert*

Picking Up the Remnants of Patient Confidentiality. MAR 2000 2-3.

### *Geyer, Ann*

Electronic Signatures: The New Frontier for E-business and E-health. SEP, 2000 3-4.

### *Gray, Matt*

What to Look for in Your Search for Secure Transfer of Healthcare Data. JAN, 2002 6.

### *Hagland, Mark*

Outsourcing and Security-Finding the Right Fit. JUL, 2002 4-5.

Putting Privacy into Practice-Lee Olson, Chief Security Officer, Mayo Foundation. MAY, 2002 3.

### *Halpert, Aviva M.*

AMA Ethical Force Initiative Announced. JUL, 2001 4-5.

### *Hanken, Mary Alice*

Setting Effective Security Standards: A Case Study. JAN 2000 3, 11.

*Hays, Mark*

GLB and Healthcare: The Other Privacy Regulation. NOV, 2001 5.

*Heywood, Risa and Richard Honey*

Overcoming Obstacles to Online Scheduling Solutions. SEP, 2001 8-9.

*Hicks, Jewelle*

Updates and Newsbreaks. MAY, 2001 10.

Updates and Newsbreaks. JUL, 2001 10.

Updates and Newsbreaks. SEP, 2001 14.

### **HIPAA Implementation**

Guerrilla HIPAA: Increasing Security, Efficiency, and Convenience with Direct Personal Assurance. Trevor Hight Walker. JUL, 2000 6-7.

HIPAA and Identifiers and Authorizations for Continued Care. Michelle Dougherty. AUG, 2002 7.

HIPAA Compliance Strategies: Why Traditional Models May Work. Dorothy Grandolfi Wagg. MAY, 2001 1-3.

HIPAA Recognizes State Law Differences. Cheryl M. Smith. NOV, 2001 7.

“SNIP”ping Away at HIPAA. Jim Bettendorf. NOV, 2001 6.

*Hjort, Beth.*

Controlling PHI Flowdown and Record Copying under HIPAA. SEP, 2001 15.

Patient Rights to Confidential Communications. JUN, 2002 7.

Resurrecting Lost or Missing Records. NOV, 2000 10.

*Hjort, Beth and Cheryl M. Smith*

Disclosing PHI and Deciphering HIPAA. JAN, 2002 7.

*Hjort, Beth and Gwen Hughes*

Wireless Device Security and White Boards under HIPAA. FEB, 2002 7.

*Honey, Richard and Risa Heywood*

Overcoming Obstacles to Online Scheduling Solutions. SEP, 2001 8-9.

*Hughes, Gwen*

Answers to Confidentiality Concerns. JUL, 2000 10-11.

Electronic Signature Law May Lead to Changes in HIM. NOV, 2000 1-2, 11.

E-mail: A Mixed Blessing. MAY 2000 10-11.

The Ins and Outs of Adoption Information Provision. JAN 2000 6-7.

The Internet “Cookie Jar”. MAY, 2001 11.

Laptop Theft. SEP, 2000 11.

Last Rights: ROI and the Deceased. MAR 20007, 11.

The Rules of Disclosure and Redisclosure. JAN, 2001 10.

What’s New in the Proposed HIPAA Privacy Rule. JUL, 2002 7.

*Hughes, Gwen and Beth Hjort*

Wireless Device Security and White Boards under HIPAA. FEB, 2002 7.

*Inkster, Jim*

Old Computers, Vulnerable Info: Secure Data Erasure. MAR, 2001 6-7.

### **Internet**

The Internet "Cookie Jar". Gwen Hughes. MAY, 2001 11.

*Jeffries, Jane*

Adoptee Updates, E-health Backlash. MAR 2000 6.

Compromising Privacy and Confidentiality. SEP, 2000 9-10.

DNA, Surveillance, and the Limits of Privacy. JUL, 2000 8.

E-signature and Security Updates and Newsbreaks. NOV, 2000 9, 11.

HIPAA, Ethics, and DNA. MAY 2000 8-9.

Old Controversies and New Technologies. MAR, 2001 10.

Protecting Privacy, Securing Security. JAN 2000 10.

Security of Patient Records. JAN, 2001 11.

*Johnson, Robert J.*

Information Destruction Programs: How You Can Defend Them and They Can Defend You. JUN, 2002 3.

### **Job Descriptions**

Establishing the Information Security Manager's Job Description. Harry Rhodes. JAN 2000 4-5.

Experiences of a VHA Privacy Officer. Stephania H. Putt. NOV, 2001 3-4.

The Information Security Manager: Three Key Responsibilities. David A. Sobel. JAN, 2001 1-2.

Putting Privacy into Practice-Lee Olson, Chief Security Officer, Mayo Foundation. MAY, Mark Hagland. 2002 3.

What Does It Take to be a Healthcare Information Security Manager? Steven S. Wilder. MAR, 2002 4-5.

*Jones, Rhys W.*

Doing Business in the New Healthcare Privacy Era. JAN, 2001 7-9.

*Kidane, Genet*

Hand-held Solutions Meet Privacy in the Healthcare Mobile Space. AUG, 2002 6.

*Koh, Eng-Kiat*

Secure Transfer of Sensitive Health Information. JUN, 2002 6.

*Lang, Matthew D. and Kimberley C. Bostic*

Enterprise-wide Scheduling Solutions Step Up Privacy and Security Features. JAN, 2002 3.

*Lawson, Jayne; Carole Okamoto; Cynthia Zak*

Guarding the Electronic Gates: A Plan for Access Management. MAY 2000 4-6.

*Levinson, Curtis K.S.*

As Strong As the Weakest Link-Developing Chain of Trust Agreements. MAY, 2002 1-2.

*Levitt, Randy*

What Is the Future of Electronic Patient Communication? JUL, 2001 6-7.

*Lieteau, Triste*

Leaving a Mark: What HIPAA Means for Marketing Provisions. SEP, 2002 4-5.

*Lovorn, Jan*

The Power of PKI. APR, 2002 4-5.

### **Marketing**

Healthcare Marketing in the HIPAA Environment. Harry Rhodes. MAY, 2001 8-9.

Leaving a Mark: What HIPAA Means for Marketing Provisions. Triste Lieteau. SEP, 2002 4-5.

*Mead, Kevin*

An Internal Audit Model for Information Security. JUL 2000 1-3.

### **Media**

Lights! Camera! Trauma!-Confidentiality and New Media. Martin K. Fujimura. MAR 2000 4-5.

*Mills, Chris*

Putting Your Finger on Biometrics: What Are the Issues? MAY, 2001 6-7.

### **Minimum Necessary**

“Need to Know” Access: Meeting HIPAA’s Minimum Necessary Requirements. Mary D. Brandt. FEB, 2002 1-2.

Sign Here, Please: Protecting Patient Privacy and Clinicians’ Legal Practices. JUL, 2002 6.

*Morgan, Scott*

HIPAA Privacy Planning at Kaiser Permanente. FEB, 2002 4-5.

*Moser, Lee*

Developments in Securing Electronic Healthcare Information. SEP 2000 5-6.

*Murphy, Gretchen*

Using ASTM Standards to Assist with Audit and Disclosure Logs. AUG, 2002 1-2.

### **Network Control**

Ensuring Security Through Translator Application. Deborah A. Smith. JAN, 2001 5-6.

The PCASSO Project: Protecting Medical Records on the Internet. Michelle Dougherty. JUL 2000 4, 9.

Securing Your IT Environment from the Inside Out. Alex Bakman. SEP, 2001 10-12.

*Nichols, Cindy*

Making Progress with Privacy Standards. JAN, 2002 4-5.

*Nulan, Craig A.*

Departmental Information Systems and HIPAA: Easing the Tension-Part I. MAY, 2002 4-5.

Departmental Information Systems and HIPAA: Easing the Tension-Part II. JUN, 2002 1-2.

*Odette, Rose*

Document Management Systems in the Healthcare Environment. FEB, 2002 6.

*Okamoto, Carole; Cynthia Zak; Jayne Lawson*

Guarding the Electronic Gates: A Plan for Access Management. MAY 2000 4-6.

*Pankey, William B.*

Electronic Signatures in Healthcare—What's the Status Now? MAR, 2002 1-2.

*Parisien, Darryl*

Developing a Framework for a Security Assessment. SEP, 2001 4-7.

### **Patient Health Information**

Disclosing PHI and Deciphering HIPAA. JAN, 2002 7.

Laptop Theft. Gwen Hughes. SEP, 2000 11.

Picking Up the Remnants of Patient Confidentiality. Robert Gellman. MAR 2000 2-3.

Resurrecting Lost or Missing Records. Beth Hjort. NOV, 2000 10.

Security of Patient Records. Jane Jeffries. JAN, 2001 11.

What Is the Future of Electronic Patient Communication? Randy Levitt. JUL, 2001 6-7.

### **Patient Rights**

Managing Patient Control over Healthcare-What You Need to Know. Holly Ballam. SEP, 2001 1-3.

Staying Alert to Patient Rights Under HIPAA. Gordon Apple. MAR, 2001 1-5.

### **Physical Security**

Healthcare Not Exempt From Terrorism Concerns. William Woloszyn. APR, 2002 1-2.

Information Destruction Programs: How You Can Defend Them and They Can Defend You. Robert J. Johnson. JUN, 2002 3.

*Planchon, Don*

You've Got Inappropriate Mail. JUL, 2000 5,12.

**Preemption**

Does Your State Law Pass the Preemption Test? Part I. Michael C. Roach. AUG, 2002 3.

Does Your State Law Pass the Preemption Test? Part II. Michael C. Roach. SEP, 2002 3.

**Privacy**

AMA Ethical Force Initiative Announced. Aviva M. Halpert. JUL, 2001 4-5.

DNA, Surveillance, and the Limits of Privacy. Jane Jeffries. JUL, 2000 8.

Educating the Workforce: Unreasonable Burden or a Reasonable Step? David Sobel. MAY, 2001 4-5.

GLB and Healthcare: The Other Privacy Regulation. Mark Hays. NOV, 2001 5.

The High Cost of Privacy. Harry Rhodes. JAN, 2001 3-4.

HIPAA Privacy Planning at Kaiser Permanente. Scott Morgan. FEB, 2002 4-5.

Making Progress with Privacy Standards. Cindy Nichols. JAN, 2002 4-5.

Old Controversies and New Technologies. Jane Jeffries. MAR, 2001 10.

Patient Rights to Confidential Communications. Beth Hjort. JUN, 2002 7.

Privacy Versus Protection: Weighing Confidentiality Against Public Safety. Harry Rhodes. JAN 2000 1-2.

Protecting Privacy, Securing Security. Jane Jeffries. JAN 2000 10.

Putting Privacy into Practice-Lee Olson, Chief Security Officer, Mayo Foundation. MAY, Mark Hagland. 2002 3.

**Privacy Rule**

What the Proposed Privacy Rule Changes Mean to You-An Update from Washington. Don Asmonga. JUL, 2002 1-2.

What's New in the Proposed HIPAA Privacy Rule. Gwen Hughes. JUL, 2002 7.

*Putt, Stephania H.*

Experiences of a VHA Privacy Officer. NOV, 2001 3-4.

*Reinke, Brian*

Making Your Data Warehouse HIPAA Compliant. JUL, 2002 3.

**Remote Access**

Hand-held Solutions Meet Privacy in the Healthcare Mobile Space. Genet Kidane. AUG, 2002 6.

**Research**

Research: One of HIPAA's Exceptions. Laurel Fleming. JUL, 2001 1-3.

*Rhodes, Harry*

E-health Is Showing Its Immaturity. MAR 2000 1, 10-11.  
Establishing the Information Security Manager's Job Description. JAN 2000 4-5.  
Healthcare Marketing in the HIPAA Environment. MAY, 2001 8-9.  
The High Cost of Privacy. JAN, 2001 3-4.
