JOE SESTAK
7TH DISTRICT, PENNSYLVANIA

CONGRESS OF THE UNITED STATES
HOUSE OF REPRESENTATIVES
WASHINGTON, DC 20515
(202) 225-2011

February 28, 2009

Dear Constituent,

On February 13, I voted for and the House of Representatives passed the *American Recovery and Reinvestment Act (ARRA)*, which President Obama signed into law on February 17, 2009.

I voted for the ARRA because I believe that we must mitigate further hemorrhaging of jobs to avoid a deeper, more protracted recession. I also believe these actions will promote a more rapid recovery.

The ARRA injects \$787 billion (approximately 5% of GDP) into the economy through approximately \$270 billion in tax cuts for individuals and small businesses -- providing 95% of American workers with an immediate tax cut -- and approximately \$311 billion in increased government investment, and \$267 billion of direct spending.

I am pleased to provide you with this *Resource Directory* for the ARRA. It is intended to be a starting point -- providing detailed information on the provisions of this bill, and importantly, making readily available contact information and web-site references. The Directory is organized by the Federal Government Department administering the provisions of ARRA, and where possible contact information for Pennsylvania, regional, or local organizations. In many cases, the law provides added funding for existing programs at the Federal and State level. In some cases, for new programs, detailed implementation plans may not yet be available, but the website location is provided for future reference. The Directory will be available on my website. It will be updated weekly (each Friday) for new information.

In addition, to promote accountability and transparency, the ARRA requires the President to maintain a website detailing where the federal money is planned and going forward is being spent. I would encourage you also to regularly visit this site, <http://www.recovery.gov> for further information on accessing Recovery funds.

I look forward to working with all local, state, federal, and educational organizations to ensure that the constituents of the 7th Congressional District have access to all eligible funding contained with ARRA.

Sincerely,

M.C.

\$6.3 BILLION FOR ENERGY EFFICIENCY GRANTS TO STATES AND LOCAL GOVERNMENTS

Implementation: a) 16% will be distributed to the State Energy Offices to award to small cities with populations under 35,000 and counties with populations under 200,000 for energy efficiency and renewable energy projects.
PA Share: \$11.648 MM to \$14.784 MM.
PA Office of Energy will be responsible for some degree of project management and oversight. Under statute, the energy offices have 180 days to distribute this money from the time it is received.
While it depends on the final guidance from DOE, it is possible this money could be awarded to the local governments, and they in turn could award it to wastewater treatment plants, other municipal authorities, school districts, etc.
b) 70% of this money will be awarded directly to large cities and counties for energy projects.
State Energy Offices may be asked to assist these entities with developing their projects but will not take any oversight role although it will make itself available to the larger municipalities to provide consulting and advice regarding the programs they will implement independently. This money may be distributed by DOE according to the federal HUD block grant formula; currently undetermined.
c) The remaining 14% will go to projects not applicable to the Pennsylvania 7th Congressional District.

\$100 MILLION FOR THE EMERGENCY FOOD AND SHELTER PROGRAM (EFSP)

Implementation: The funding in FEMA's FY09 appropriations bill for EFSP was released in December 2009. The recent funding in the Stimulus Bill requires that the funding be disbursed to local governments within 30 days. We do not currently anticipate any funding issues and are working now to get funding prepared to go out.

As with the annual allocations, the National Board will use the same allocation process it has for over 25 years. The National Board will use BLS stats to qualify jurisdictions for annual EFSP funding awards based on criteria involving current population, unemployment and poverty levels. (see attached formula explanation for greater detail)

- These grants are awarded to local boards within the states that qualify.
- The Local Boards award these grants to non-profit community and government organizations that are chosen by Local Boards in the qualifying jurisdictions.
- Grants can be used for mass shelter, mass feeding, food distribution through food pantries and food banks, one-month utility payments to prevent service cut-off, and one-month rent/mortgage assistance to prevent evictions or assist people leaving shelters to establish stable living conditions.
- In addition to direct funding awards, a percentage of the funds available will be awarded by the National Board to State Set-Aside (SSA) Committees. SAA Committees select jurisdictions for funding with significant needs or service gaps that may not have qualified for direct funding from the National Board.

\$2.225 BILLION FOR GRANTS TO STATE AND LOCAL LAW ENFORCEMENT (BRYNE JAG)

Implementation: The JAG Program, administered by Office of Justice Program (OJP)'s Bureau of Justice Assistance, allows states and local governments to support a broad range of activities to prevent and control crime and improve the criminal justice system. JAG grants allocated on a formula based on population and violent crime statistics, in combination with a minimum allocation to ensure that each state and territory receives an appropriate share of funding. Sixty percent of the allocation is awarded to the state and 40 percent is set aside for units of local governments.

Funding awarded directly to the state governments will be administered by the Pennsylvania Commission of Crime and Delinquency (PCCD), a State Administering Agency (SAA); it will set priorities and allocate funds within Pennsylvania. Additional information about SAAs can be found here: <http://www.ojp.usdoj.gov/saa/index.htm>.

Units of local government appearing on the FY 2009 Recovery Act Units of Local Government List, established by OJP's Bureau of Justice Statistics, will also be eligible to apply for JAG funds. A listing of eligible units of local government will be posted soon.

\$1 BILLION FOR GRANTS TO STATE AND LOCAL LAW ENFORCEMENT TO HIRE EXTRA POLICE OFFICERS (COPS HIRING)

Implementation: The Office of Community Oriented Policing Services (the COPS Office) is announcing the availability of funding under the COPS Hiring Recovery Program (CHRP). The COPS Office will receive the funds from the American Recovery and Reinvestment Act of 2009 to address the personnel needs of state, local, and tribal law enforcement. Application materials are scheduled to be available before the end of March. CHRP is a competitive grant program that provides funding directly to law enforcement agencies having primary law enforcement authority to create and preserve jobs and to increase their community policing capacity and crime-prevention efforts. Up to \$1 billion in grant funding will be available for the hiring and rehiring of additional career law enforcement officers. There is no local match requirement for CHRP, but grant funding will be based on current entry-level salaries and benefits packages. Any additional costs for higher salaries or benefits for particular individuals hired will be the responsibility of the grantee agency. Applications for CHRP grants will be accepted only online through the COPS Office web site: [www.cops.usdoj.gov /](http://www.cops.usdoj.gov/) <http://www.cops.usdoj.gov/Default.asp?Item=2108>. The COPS Office looks forward to working with the law enforcement agencies that apply under this program and will provide technical assistance to applicants during the solicitation process, as requested.

\$10 BILLION "NEW MARKETS TAX CREDITS" (NMTC) WILL BE AVAILABLE FOR 2008 AND 2009

Implementation: The New Markets Tax Credit (NMTC) Program permits taxpayers to receive a credit against Federal income taxes for making qualified equity investments in designated Community Development Entities (CDEs). Substantially all of the qualified equity investment must in turn be used by the CDE to provide investments in low-income communities. The credit provided to the investor totals 39 percent of the cost of the investment and is claimed over a seven-year credit allowance period. In each of the first three years, the investor receives a credit equal to five percent of the total amount paid for the stock or capital interest at the time of purchase. For the final four years, the value of the credit is six percent annually. Investors may not redeem their investments in CDEs prior to the conclusion of the seven-year period. Bill authorizes additional funding for the 2008 and 2009 allocation rounds. Apply through the Community Financial Institutions Fund.

**\$5.074 BILLION SO BUSINESSES WILL BE ABLE TO MORE QUICKLY DEDUCT THE COST OF
INVESTMENTS IN PLANT AND EQUIPMENT FROM THEIR TAXABLE INCOME**

Implementation: Businesses are allowed to recover the cost of capital expenditures over time according to a depreciation schedule. Last year, Congress temporarily allowed businesses to recover the costs of capital expenditures made in 2008 faster than the ordinary depreciation schedule would allow by permitting these businesses to immediately write-off fifty percent of the cost of depreciable property (e.g., equipment, tractors, wind turbines, solar panels, and computers) acquired in 2008 for use in the United States. The law extended this temporary benefit for capital expenditures incurred in 2009.

RULES AFFECTING STATE AND LOCAL GOVERNMENT BONDS WILL BE CHANGED TO IMPROVE MARKETABILITY. BUILD AMERICA (TAX CREDIT) BOND.

Implementation: Credits a tax credit bond in lieu of a tax-exempt bond. In determining the portion of interest expense that is allocable to investments in tax-exempt municipal bonds. Tax credit bond differ from tax-exempt bonds in two-ways: (1) interest paid on tax credit bonds is taxable; and (2) a portion of the interest paid on tax credit bonds takes the form of a Federal tax credit. The Federal tax credit offsets a portion of the cash interest payment that the State or local government would otherwise need to make on the borrowing. This choice can be made by states and municipalities in 2009 and 2010. This will allow states and municipalities to receive direct payment from the Federal government equal to the subsidy that would have otherwise been delivered through the Federal tax credit for bonds. There is currently no further information.

\$1.4 BILLION TO STATE AND LOCAL GOVERNMENTS IN 2009 AND 2010, WHICH CAN BE USED FOR QUALIFIED ZONE ACADEMY BONDS (QZABS) TO FINANCE RENOVATIONS, EQUIPMENT PURCHASES, DEVELOPING COURSE MATERIAL, AND TRAINING TEACHERS AND PERSONNEL AT A QUALIFIED ZONE ACADEMY.

Implementation: Interest on these bonds will be paid by the federal government through tax credits to the bondholder. The bondholders are allowed to apply the credits to their federal corporate income tax or alternative minimum tax liability.

Eligibility:

- Public schools that are either located in an Empowerment Zone or Enterprise Community or in which at least 35 percent of the school's students are eligible for free or reduced-price lunch under the federal lunch program.
- Public schools that have an education program designed in cooperation with business and receive a private business contribution that is not less than 10 percent of the net present value of the proceeds of the bonds; or
- Public schools that have an education plan that is approved by their school districts and in which students are subject to the same standards and assessments as other students in the district.

30% CAP ON TAX CREDIT FOR ENERGY EFFICIENCY PURCHASES BY HOMEOWNERS, UP TO \$1500 PER RESIDENCE

Implementation: Applies to 2009 and 2010 tax years. The bill would increase the amount of the tax credit to thirty percent (30%) of the amount paid or incurred by the taxpayer for qualified energy efficiency improvements during the taxable year. The bill would also eliminate the property-by-property dollar caps on this tax credit and provide an aggregate \$1,500 cap on all property qualifying for the credit.

50% TAX CREDIT FOR PURCHASE OF ALTERNATIVE REFUELING STATIONS

Implementation: The qualified alternative fuel vehicle (QAFV) refueling property credit provides a tax credit to businesses, such as gas stations, and individuals that install alternative fuel pumps. These are pumps that dispense E-85 fuel, electricity, hydrogen, and natural gas. Applies to 2010 and 2011, the bill would increase the 30% alternative refueling property credit for businesses.
